

BLACKWATER TRAIL: LONG LOOP

hard

Cross-country skiing

TOUR DESCRIPTION

The Schwarzwasserloipe trail starts in Au and covers approximately 17 km, taking you on a circular route from the Riezler district of Egg through the Schwarzwasserloipe is the most challenging of the three trails in the Kleinwalsertal valley. It leads through unspoiled winter landscapes and offers a total of five possible circuits. The Schwarzwasserloipe trail network is groomed exclusively for classic technique.

The Schwarzwasserloipe offers a total of five possible circuits: the Egg circuit (6.8 km / 19 m elevation gain), the Küren circuit (3.8 km / 70 m elevation gain) and the Wäldele circuit (2.9 km / 70 m elevation gain) as well as an easy practice circuit (1.2 km).

The moderately difficult circuits can be skied individually or combined with each other.

The trail entrance, where most of the circuits start, is at the Au sports field. There are further entrances in Wäldele and Egg.

ROUTE DESCRIPTION

To warm up, it goes from the sports field Au initially flat towards Riezlern. After a short but steep ascent you reach the Egg trail. Passing the Egg-Lift and on to the Küren-Wäldele-Egg-trail. Again, it goes up into the direction of Schwende. This is turned and it goes up now. Back to the Egg-Lift and on to the Küren-Wäldele-Egg-trail. Once at the top you have managed the "worst". Now, the trail meanders in easy up and down passage through the forest to the sports field Au takes place.

How do you consciously experience nature?

Nature is so much more than the backdrop for unforgettable mountain experiences. It is a habitat for animals and plants. It provides valuable raw materials such as wood, it also protects against avalanches and mudslides and regulates the climate. It is up to us to see what we can achieve more:

Smart in NATURE

CONSCIOUS together

EXPERIENCE foresight

Smart in NATURE

Take a deep breath and recharge your batteries, be outside and feel free. When we enjoy nature, we are guests in the living room of someone's living space with you in the future too.

Stay on paths and marked routes

If you follow the marked paths and routes, you are sure to come to new favorite places. In this way you also respect protected areas, any disturbance unnecessarily costs the wild animals the strength they need to survive.

Avoiding twilight times

Standing on a mountain at sunrise is a special experience. The morning and evening hours are also the time when most wild animals are avoided, please stay on the marked path, do not use a bright headlamp and enjoy the silence.

Stay clean & take rubbish with you

It goes without saying: You take rubbish with you again, on the mountain and in the valley. Please also organic waste, because it is also at home or in your accommodation - please remember that there are no rubbish bins in public spaces in Kleinwalsertal.

On the natural toilet

If you are looking for a quiet place, please be at least 50 m away from water. Bury excrement or cover it with a large stone. Use fallen

On tour with a dog

Are you always in control of your four-legged partner, even if he gets his nose for marmots, deer or other wild animals? You are both on attack by a grazing animal is foreseeable: leash off immediately. There are numerous dog stations in the valley for the disposal of dog and fields contaminates the feed and makes grazing cattle sick.

CONSCIOUS to each other

Consideration for other athletes and those looking for relaxation

Everyone loves to enjoy a special piece of earth for themselves. But most of the time we are not traveling alone. No problem, because in a friendly manner, provide support when someone needs help and always give a smile. So nothing stands in the way of friendly cooperation and

Appreciating the preservation of the cultural landscape

Alpine landscapes are touching with their contrast: Imposing peaks and natural forests alternate with gentle valleys, well-tended meadows at high altitudes is no coincidence, but the result of an interplay of natural and cultural landscapes. Behind this is the work of farmers, alpine huts, the attractiveness of the recreation and leisure area and the diversity of species are preserved. We already say thank you if we stay on the

EXPERIENCE farsighted

Safe on tour - for you and others

Whether on a ski or snowshoe tour in winter or on a mountain tour in summer, anyone who is out and about in alpine terrain has to be equipped with the right equipment. Correctly assessing alpine dangers requires a lot of knowledge and experience. Why not learn from professionals?
