

# BURMIWEG - FUN AND GAMES AT THE BREITACH

**EASY** THEMED TRAIL

## TOUR DESCRIPTION

The stroller-friendly Burmi adventure path offers fun for young and old. It features nine play and activity stations along the Breitachweg. The stroller-friendly promenade runs quietly and beautifully situated along the Breitach from Hirschegg to Riezlern. The starting point of the adventure path can be reached from Hirschegg via Mühleweg and Leitobelweg. The Burmiweg starts shortly after the Leitobelbrücke. The start cannot be missed; Burmi welcomes all young and old hikers with a large sign. Just a few meters further awaits the first play station. From here, the path runs flat along the Breitach. At regular intervals, there are more stations to discover. About halfway along the path, there is a barbecue area and a spring. The last part of the path leads somewhat steeper back up to Riezlern.
