

# SKI TOUR FROM AU TO TORECK

medium

Ski Touring

## TOUR DESCRIPTION

A scenically stunning ski tour, starting at the football field in Au. Even the ascent impresses with the wild beauty of the Kürental valley, and its surrounding peaks.

"Experience nature consciously" stands for a respectful coexistence among winter sports enthusiasts and toward the natural environment and protection zones in the Kleinwalsertal, ensuring a sustainable and enjoyable mountain experience.

## ROUTE DESCRIPTION

### Ascent

The tour starts in the hamlet of "Schwende", which can be easily reached by bus (see "Arrival"). Arriving at the Mahdthalhaus, we first follow the main street. From here we follow the ski touring signs, straight up the beginning of the slope. From here we switch to the aisle on our right (the aisle is on the left edge of the forest), past a sun-exposed path to the left & over through the forest to the next aisle. Further up we come to the next aisle to the right. Once at the top, another signpost shows us the way, to the right through the forest to a flat area. We continue below the rising rock face on the left until the slope opens up and we climb it. At the top we have a great view of the Hoher I.

### Descent

The descent is via the "Schneiderkuren - Schmalzboden", from the summit of the Sonnenberg we make beautiful curves in the direct descent to the "Schneiderkuren" hut. (Here is also the Stone Age hunter's camp) Now the path is almost prescribed for us & we get to the track. We follow the forest path and come out in the Wäldele at the Wäldele-Egg cross-country ski trail. About 500 meters down the

**CONSCIOUS** together

**EXPERIENCE** foresight

Smart in **NATURE**

Take a deep breath and recharge your batteries, be outside and feel free. When we enjoy nature, we are guests in the living room of s their living space with you in the future too.

#### Stay on paths and marked routes

If you follow the marked paths and routes, you are sure to come to new favorite places. In this way you also respect protected areas, any disturbance unnecessarily costs the wild animals the strength they need to survive.

#### Avoiding twilight times

Standing on a mountain at sunrise is a special experience. The morning and evening hours are also the time when most wild animals avoided, please stay on the marked path, do not use a bright headlamp and enjoy the silence.

#### Stay clean & take rubbish with you

It goes without saying: You take rubbish with you again, on the mountain and in the valley. Please also organic waste, because it is co at home or in your accommodation - please remember that there are no rubbish bins in public spaces in Kleinwalsertal.

#### On the natural toilet

If you are looking for a quiet place, please be at least 50 m away from water. Bury excrement or cover it with a large stone. Use fallen

#### On tour with a dog

Are you always in control of your four-legged partner, even if he gets his nose for marmots, deer or other wild animals? You are both o attack by a grazing animal is foreseeable: leash off immediately. There are numerous dog stations in the valley for the disposal of dog and fields contaminates the feed and makes grazing cattle sick.

#### CONSCIOUS to each other

##### Consideration for other athletes and those looking for relaxation

Everyone loves to enjoy a special piece of earth for themselves. But most of the time we are not traveling alone. No problem, because manner, provide support when someone needs help and always give a smile. So nothing stands in the way of friendly cooperation and

#### Appreciating the preservation of the cultural landscape

Alpine landscapes are touching with their contrast: Imposing peaks and natural forests alternate with gentle valleys, well-tended me al altitudes is no coincidence, but the result of an interplay of natural and cultural landscapes. Behind this is the work of farmers, alp attractive of the recreation and leisure area and the diversity of species are preserved. We already say thank you if we stay on the
